## "IN A BAD WAY"

Many a Cloverport Reader Will Feel Grateful for This Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in; Perhaps your kidneys are "in a bad way."

Don't delay—use Doan's Kidney Pills.

Here is good evidence of their worth. Mrs. G. W. Fitzgerald, 1421 W. Fifth St., Owensboro, Ky., says: "I wish to say that Doan's Kidney Pills are a good kidney remedy. I was in a bad way before I began their use. I had backache day and night and the kidney secretions caused me much annoyance. I got Doan's Kidney Pills and had not taken many before I was greatly relieved. I can now sleep soundly, the headaches have left and my back is strong."

A PERMANENT CURE.

On February 20, 1912, Mrs. Fitzgerald said: "I have not had to use Doan's Kidney Pills since they cured me years ago. You are at liberty to use my former endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Fitzgerald had. Foster-Milburn Co., Props., Buffalo, N. Y.

### A Bird That Bestows a Curse.

The stonechat, a "soft billed" bird, is so called from the similarity of its alarm note and the striking together of two pebbles. In some parts of Scotland it is supposed to contain a drop of the devil's blood, and its nest is never taken because of the curse it is always promising.—Country Life.

### Leisurely Tasmania.

Leisure is regarded as so notable a characteristic of Tasmania that it bears the nickname of "the land of lots of time," or "the land of sleep a lot," while its inhabitants are called "tassies" and "jam eaters," the latter being an allusion to the island's great fruit farms.
